Dear Parents and Carers,

Reminders & Updates

It's lovely to see our children in school again, we have a real buzz of activity! We just have a few reminders & updates for you as we all settle into this ever- changing world we are trying to live in.

Communication

- Website – As we previously informed you, we have a new look website and we will be posting any letters & news items on the Website from next week. You can find these in the 'NEWS' Page. Please check the website regularly to ensure you get the latest news & letters. Linked to the website we also have an app which if you select your child's cluster, you will receive notifications when any news is updated. There is a link on the home page of the website to download the app. www.greenparkschool.co.uk
- **Parents bringing children to school or picking up from school.**

  As we are in an area of Local Restrictions now, we are asking parents & carers to please consider wearing a face covering when dropping off and collecting pupils. You may notice staff wearing face coverings too, for transport duties, and in communal areas of school. These are not being used in classrooms unless there is a specific risk assessment in place.
- **Spare Clothes**

  As part of our risk assessment pupils must have clean uniform each day to reduce the risk of cross contamination of COVID. Accidents and spillages happen throughout the day, so can I remind parents to please pack a clean spare change of clothes in your child's bag.
- **Parents evening**

  Parents evening, due to COVID restrictions will be phone appointments only with your child's class teacher. A letter is coming home today so please reply via email with your appointment preference to greenparkschool@wolverhampton.gov.uk
